## FOR IMMEDIATE RELEASE

22 JULY 2020

### CANCELLATION OF 2020 SEASON

We would like to announce that we have reached the decision to cancel our remaining physical live events for season 2020. Based on the standard operating procedures (SOP) released for the creative industry, it is clear that we have to make this difficult move after considering the health and safety of our audiences, musicians and team since our programmes involve a substantial amount of community involvement and domestic and international travels.

As part of our mission to inspire and engage the community through musical excellence, we have recently launched a digital content platform - an online educational series titled Rondo Explore, where we will be bringing you videos and articles related to music education and repertoire stories. Come and join us in this fun musical exploration via <https://therondoproduction.com.my/rondo-explore/>

We would also like to take this opportunity to present the artists who were initially invited to perform or teach in our season 2020 physical live programmes. We are now engaging them virtually through online panel discussions, interviews and tutorials. As of date, we have produced four virtual panel discussions, 12 chit-chat sessions and 10 instrumental tutorials. You can view these contents and upgrade your musical knowledge and skills via <https://www.facebook.com/therondoprod/videos/>

We hope to resume our physical live events in January 2021. In the meantime, we wish to seek your kind understanding and patience while we finalize the programmes for season 2021. We shall make the announcement in December 2020. So stay connected with us for the latest updates.

Last but not least, we would like to extend our heartfelt gratitude to you, our community, for supporting us in promoting high-quality music education in Malaysia. We look forward to seeing you soon.

Thank you!

Stay safe and stay healthy.

From the Management of  
**THE RONDO PRODUCTION**
